JACKAL6 BODY 10 | FEATURES

The Jackal6 Body 10 has a concise yet simple design that makes this body worn camera (BWC) easy to use. The Body 10 comes equipped with a large one-touch action button, continuous video recording, high-resolution photo capture, automatic infrared (IR) illumination and secure Wi-Fi video connectivity via desktop and mobile devices.

HD VIDEO: Record crystal clear HD video and capture every detail with a 140 degree field of view.

HIGH CAPACITY BATTERY: Continuous video recording up to 10 hours on a single charge.

PRE/POST-EVENT BUFFER: Configure your pre/post-event buffer time to capture before and after an event.

AUTOMATIC IR: Record more and witness more during those low-light situations.

WEATHERPROOF: Built tough to withstand most extreme weather conditions and climate events.

EMBEDDED SECURITY: Evidence is locally encrypted on the camera to protect data at all times.

DEVICE LOGGING: Watermark videos and photos with a unique ID and date/time stamp.

MOBILE APP: Stream and replay videos right on your mobile device with Jackal6 Vision.
